Assistance for duck rearing in Krishna Sangh Bio-village

20 beneficiaries were provided with assistances for duck rearing by Biotechnology department in Krishna Sangh Bio-village of South Charilam Gram Panchayat on February 28. Each beneficiary was distributed 20 ducklings of Khaki Campbell breed along with 10 kilograms of duck feed and medicines. 1 lakh rupees was spent for this. Deputy Director of Animal Resources Development Department Dr, Amiya Majumdar and officials of Biotechnology department were present during the distribution program. This was informed by Senior Scientific Officer of Biotechnology department Anjan Sen Gupta.
