Water supply connection under Atal Jal Dhara Mission in Killa RD Block

Free water supply connection has been provided to 426 households out of 8,178 households in Killa R.D Block as on April 1, 2020 under Atal Jal Dhara Mission scheme. Work plans have been taken to cover remaining 7752 households by August 15, 2022. The target for financial year 2020-21, 2021-22 and 2022-23 (August, 2022) are 4,205 households, 2,044 households and 1,503 households respectively. So far, 1140 households out of 4,205 households have been provided piped water connection in present financial 2020-21 as on December 31, 2020.

Presently, there are 33 existing deep tube well (DTW) scheme, 30 small bore tube well (SBDTW) scheme, 1 surface water treatment plant and 4 innovative schemes under Killa RD Block. Construction of further 28 deep tubewell scheme, 11 small bore deep tube well scheme and 1 surface water treatment plant under Killa RD Block have been planned for covering all of the households through piped water connection. Besides that, necessary steps have been taken for deploying truck mounted water tankers whenever required to address water crisis situation. This was informed by Chief Engineer PWD(DWS).
