Meeting on preparation of Tripura Master Plan Project under AMRUT in Kamalpur

A meeting was held today on preparation of Tripura Master Plan Project under AMRUT of Urban Development department for Kamalpur Nagar Panchayat at the conference hall of Kamalpur SDM office. Kamalpur SDM Abhijit Chakraborty, Project Director of SREI Infrastructure Finance Limited, Kolkata Sibasish Bhattacharya, Vice-President of Excel Geomatics Plan Private Limited, Project Mangement and Subsidiary Plans of e-Governance & IT Software, New Delhi Ramakant Beernally, officials of different departments, Kamalpur Nagar Panchayat and of SREI were present in the meeting and have discussed matters in details. The main objectives of the cited plan project were brought forward through a pictorial presentation. The project is based on 'Atal Mission for Rejuvenation and Urban Transformation' under Ministry of Housing and Urban Development, Government of India which was launched by Prime Minister Narendra Modi in June, 2015. This project was first implemented in Rajasthan under State Annual Action Plan (SAAP).

20 urban cities of Tripura have been selected under National Remote Sensing Centre (NRSC) through satellite picture. Geospatial map has been prepared for implementation of the plan project. It was informed that Ranirbazar, Jirania, Mohanpur and Bishalgarh Nagar Panchayat have been covered recently. Different line departments such as DWS, TSECL, Water Resources, PWD, Police, Traffic, Fire Service, Health, BSNL and Education department along with Nagar Panchayat under the jurisdiction were asked to prepare and submit their inputs following the format provided by the Agency within a week for better coordination and implementation of plan project in constructive way. Kamalpur SDM hoped for everyone's cooperation support for the sake of public interest.
