**YAS Minister inaugurates annual sports competition of Joykatpur School in
Hrishyamukh**

**Sports help build one's personality besides mental and physical development: YAS
Minister**

The government has given utmost importance to the quality development of education of the state. The state government has taken initiative to turn 100 selected schools of the state under Mission 100 Vidyajyoti scheme to modernized schools. For this, few schools from every district has been brought under CBSE board, enunciated Youth Affairs & Sports Minister Sushanta Choudhury after inaugurating annual sports competition of Joykatpur School in Hrishyamukh today. He said, sports help build one's personality besides mental and physical development. Education is meaningless without building right kind of attitude and personality. The students and the youth have to stand against addiction. YAS Minister asked the teachers to take up the important role to create the importance of values among the students so that they could grow as good citizens in future. Others present at the event were Chairperson of Hrishyamukh Panchayat Samiti Bakul Debi Debnath, President of education and health standing committee of South Tripura Zila Parishad Swapna Majumdar, Hrishyamukh School Inspector Swapan Chandra Das. Welcome speech was delivered by School Headmaster Sudeb Nandi. YAS Minister handed few prizes to the winners, at the beginning of the event, YAS Minister hoisted sports flag and inaugurated the annual sports competition.
