Target to install 14 deep tube wells in Charilam block

Target has been taken to install 14 deep tube wells in Charilam block in the present financial year to create drinking water source. Apart from that, 24 small bore deep tube wells will also be installed in the block. This was informed by Drinking Water & Sanitation department, Bishramganj sub-division office. These initiatives have been taken to create drinking water source in different Gram Panchayats and ADC villages of the block.
