Special Intensive Revision in Bihar has already started

The Constitution of India is supreme. All citizens, political parties and the Election Commission of India follow the Constitution. Article 326 specifies eligibility to become an elector. Only Indian citizens, above 18 years and ordinary resident in that constituency, are eligible. Special Intensive Revision (SIR) has already started successfully in Bihar for verifying the eligibility of each elector with full participation of all Political Parties. ECI already has 77,895 Booth Level Officers (BLOs) and is appointing nearly 20,603 more BLOs for new polling stations. More than One Lakh volunteers will be assisting genuine electors, particularly the old, sick, Persons with Disabilities (PWD), poor and other vulnerable groups during the SIR. All recognised National and State Political Parties who are registered with ECI have also already appointed 1,54,977 Booth Level Agents (BLAs). They can still appoint more BLAs. Printing as well as door-to-door distribution of new Enumeration Forms (EF) for all the existing 7,89,69,844 electors of Bihar has already started in each of the 243 Assembly Constituencies of Bihar. Online filling of the new Enumeration Forms (EFs) has already been enabled and has also started successfully. Out of the existing 7,89,69,844 electors, 4.96 Crore electors, whose names are already in the last intensive revision of Electoral Roll on 01.01.2003, have to simply verify so, fill the Enumeration Form and submit it. All Divisional Commissioners and District Magistrates are engaging all the BLOs full time during the SIR. SMSs are also being sent to the 5,74,07,022 registered mobile numbers of Bihar. All activities relating to SIR are progressing well as per schedule. This information was divulged by the ECI.
