From the beginning the current govt. is diligent towards the development of sports infrastructure: Chief Minister

At this moment of time in Tripura interest towards sports activities among the youths of this state has grown many folds compared to earlier days. This has become possible due to the due importance the state govt. has given towards the growth of sports infrastructure. Chief Minister, Prof. (Dr.) Manik Saha stated this while interacting with the journalist at the prize distribution ceremony of Hotel Sonartari B-division League 2025-26, organised at the Umakanta Stadium on the last day of the event. Especially to be mentioned, in this football league, Oikatan Juba Sangha of Santipara has came up as undefeated champion and Birendra Club secured the position of runners up. The Chief Minister and other guests of the event felicitated the winning clubs with trophy and cash prize. Today, the last match of the league, which was organised between Birendra club and Nobodaya Sangha resulted in a draw with no goals from both the teams. This football match was organised with the help of Tripura Football Association. In the interaction with the journalists the Chief Minister further fold that current govt. is giving due diligence for the development of sports infrastructure from the beginning. The more and more the youths get engaged with the sports and athletics the easier it would be to keep them away from bane like drug abuse. Only then the goal to make One Tripura, Great Tripura can be achieved. The Chief Minister congratulated all the participating teams and hoped that they would perform much better in the upcoming days. The guests who have been present in todays distribution ceremony include chairman of Tripura Industrial Development Corporation, Chairman of Tripura Olympic Association, Ratan Saha, President of Tripura Football Association, Pranab Sarkar, Vice President Rupak Saha and others.
