45 mini deep tube wells installed in Ampii block under JJM

45 mini deep tube wells have been installed under Jal Jeevan Mission in 22 villages of Ampii block to create drinking water sources. Apart from that, work is going on to install more 69 mini deep tube wells. 15 Iron Removal Plants are also being set up in the block under this Mission. Free of cost drinking water connections have been provided to 4 thousand 479 houses so far under Jal Jeevan Mission in the block. This was informed by Assistant Engineer of Drinking Water & Sanitation department Dibya Sadhan Jamatia.
