15 deep tube wells installation in Padmabil block under JJM

Target has been taken in the previous financial year to install 15 deep tube wells in Padmabil block under Jal Jeevan Mission. This plan is being implemented to create drinking water sources. So far, installation of four deep tube wells has been completed in South Ramchandraghat village, South Padmabil village, Jolai Twisa village and Ratanpur village of the block. Installation of each deep tube well was done at the cost of 60 lakh rupees. This was informed by Drinking Water & Sanitation department, Padmabil block.
