19 deep tube wells in Charilam under JJM

19 deep tube wells have been installed in Charilam block under Jal Jeevan Mission in the previous financial year. Apart from that, a submersible deep tube well has also been installed. Free drinking water connection has been provided to 3 thousand 656 families of the block from these drinking water sources under Jal Jeevan Mission. To ensure 100% availability of drinking water in every household in the block, more 42 deep tube wells and 82 submersible deep tube wells will be installed under Jal Jeevan Mission. This was informed by Drinking Water & Sanitation department.
