India-Bangladesh Joint Technical Committee Meeting at Sabroom

Indo-Bangladesh Joint Technical Committee members today inspected Gongophira and Nabinpara areas along the banks of Feni river at Sabroom. A 12-member delegation led by Chief Engineer of Bangladesh Water Development Board Md. Ramzan Ali Pramanik arrived in India today after crossing the Maitri Bridge. On behalf of India a 10-member delegation led by South Tripura District Magistrate Saju Vaheed took part in the joint delegation. Apart from the District Magistrate of South Tripura District, the Indian delegation also included Sanjay Saha, Chief Executive Engineer, Department of Drinking Water and Sanitation, Mahitosh Das, Chief Engineer, Department of Water Resources. After the inspection the joint delegation met in the meeting room of Sabroom Nagar Panchayat. The meeting decided to take initiative to solve the unresolved issue regarding the use of water in Feni river.
