**Chief Minister's appeal to withdraw  
Strike & maintain peace in public interest**

In the light of the recent situation of the state I, on behalf of the state Government appeal to the people of the state specially political parties, Organization and Intellectuals to maintain peace.

Recently some organizations, by calling strike have disrupted normal public life. Apart from disrupting examinations in the schools, Colleges and University, this has caused various anomalies which is not at all desirable. In the interest of the public I appeal to the organizations which have called this strike to withdraw it. At the same time, to find solutions of the issue the door is open for discussion. The state Government is ready to sit for a dialogue anytime.

To take the process of development ahead let us all comes forward to maintain normal life in the state.
