Chief Minister in the programme also said, none had to go hungry amidst Covid pandemic all because of Prime Minister's proper management. He said, a negative mentality was set among the people regarding state's club culture, land lease commission, collecting whopping amount as Durga puja subscriptions. But at present, quite many clubs have come out of such culture and are playing significant role involving in social work activities. Chief Minister also said, recently as per the commitment, Prime Minister has turned Tripura into a HIRA model. Advanced roads, Rajdhani Express, international airport and improved internet services are escalating state's development. Chief Minister urged the clubs to actively take part in development of social lives through social works and catering to everyone in the society with benefits of central and state governmental programmes.

Prominent social worker Niti Deb in the programme said, donating blood is one of the ways to pay tribute to those who brought us freedom in exchange of their own blood. She urged everyone to teach the next generations about the lives and history of our freedom fighters. Others present in the program were MLA Surajit Dutta, TRTC Chairman Dipak Majumder and Tripura Haj Committee Chairman Mohammed Jasim Uddin.
