**Deep tube wells in Karbook and Silachari block under JJM**

Deep tube wells are being installed in different ADC villages of Karbook and Silachari block under Jal Jeevan Mission. A deep tube well is being installed each in Prabin Roaja Para of Jenta Twisa Village and in Chandrasingh Para of Karbook village of Karbook block under the Mission. Apart from that, a deep tube well is being installed in Abhikumar Roaja Para of Silachari block. A deep tube well is already functioning at Chelakappa of Kaptali village of the block. The work of providing drinking water to every household under the Mission using the natural water of the waterfall in Mukhchari village nearby Dumboor water body is progressing ahead. This was informed by Drinking Water & Sanitation department, Karbook office.
