

Rejoinder

The news published in **Syandan Patrika** on 21.08.2021 at page – 01 regarding power cut during 1st Bidyut Seva Award Ceremony held on 20th August, 2021 at Sukanta Academy, Agartala has come to the notice of Tripura State Electricity Corporation (TSECL). In this regard, it is clarified that –

On 20.08.2021 Power Supply tripped at Sukanta Academy for 4 (four) times from 06:10 P.M. to 07:10 P.M. when the 'Vidyut Seva Award' giving ceremony of TSECL was going on. Concerned DGM, Sr. Manager and Manager of TSECL along with Central Team and FRT were present on the spot. After necessary checking it was found that tripping occurred due to problem in Internal Panel which is being maintained by the authority of Sukanta Academy, not by TSECL.

Sukanta Academy has double feeding facility, one from UG Secretariat Feeder and another from R.M.S. Feeder and both of the feeders were steady during the programme. As such, TSECL is no way responsible for the referred power disruption.

Therefore, the facts are required to publish in the concerned newspaper as rejoinder against the said news.
