**Virtual meeting on overall health services of the
state under the chairmanship of the Chief Minister**

The health department should regularly monitor the Covid-19 situation: CM

A virtual meeting was held today under the chairmanship of Chief Minister Prof. (Dr.) Manik Saha regarding the overall health services of the state. In this virtual meeting, the achievements, progress of work, future work plans and various new initiatives of the four directorates of the Health department were discussed in detail. The Secretary of the Health department spoke elaborately about the ongoing works of the department in the meeting.

In the virtual meeting, the Chief Minister advised the officials of the department to prioritize the health services sector and implement the central and state government projects and complete the deficient areas within the stipulated time frame. He directed the officials to keep a regular watch on the situation of the present Covid-19 situation in the state and take action accordingly. He also emphasized upon raising awareness among the people in this regard.

In meeting, the Chief Minister suggested taking necessary steps to increase the services of specialist doctors in various district hospitals and sub-divisional hospitals of the state. He emphasized upon the importance of keeping in view the improvement of services to the patients along with infrastructure development in various levels of health services. Also, new recruitment in the health department, use of modern equipment, covid vaccination etc. were discussed in the meeting.
