Mukhyamantri Swanirbhar Parivar Yojana
Assistance in Agar Cultivation in Boxanagar Block

150 families have been assisted in agar cultivation by the forest department in the current financial year under Mukhyamantri Swanirbhar Parivar Yojana. Besides, the beneficiary families were also given saplings of various economic and medicinal plants. Beneficiary families have been given saplings of neem, bakul, chalta trees besides agar saplings. Moreover, financial assistance has been given to 7 forest-based self-help groups of the block. Under Amrit Sarovar project, check dams have been constructed for 7 fishermen of the block. This news has been informed by Boxanagar Forest Range office.
