Chief Minister also said, u The Union Finance Minister in her visit to the state has announced 1,300 crore rupees financial package for socio-economic development and upgradation of standard of living of the tribals of the state which will play a significant role in overall and stable development of the tribals. Development can be observed making its way already in different tribal areas including Chawmanu. Importance has been given to establishment of Eklavya schools for quality education of students.

Chief Minister further said, in the past there used to be a tendency to create differences in the state in the name of movement. But the present government is committed towards bringing overall development by establishing unity. Only peace can bring forth development. A harmonious environment is prevailing in the state now. Government is working with the goal of providing clean drinking water to every home by December 2022 so that no lady has to fetch drinking water from far flung areas. Besides that, gas connection under PM Ujjwala Yojana, Kisan Samman Nidhi, paddy procurement at MSP, Atal Jaldhara Mission. PMAY, construction of toilets under SBM, improved roads are changing the quality of life. Development works are equally being implemented in tribal areas. The day of historic community Goddess Sangrangma Puja has been announced a holiday. Others present in the programme were forest minister Mevar Kumar Jamatia, Reang community head Kaskau Anil Chandra Reang, MLA Rampada Jamatia, MLA Ranjit Das, MLA Pramod Reang, MLA Arun Chandra Bhowmik, and South district's DM Saju Wahid.
