**Assistance for fish farming in Dasda block**

During the current financial year, 3 fish farmers have been given assistance for fish farming under Dasda block. In this program, each family have been given 1000 Magur fish fingerlings and 800 fish fingerlings of different varieties. Materials for fish farming were also provided to the fisherman. 1 family from South Tuisama Village, 1 from Manu Chailengta Village and 1 from West Satnala Village of Dasda block have benefited from this. 11 thousand 500 rupees has been spent per family. This news has been reported from Kanchanpur sub-divisional Fisheries Supervisor office.
