

for success other than hard work. Engineer's work is public related and work must be completed with fore-sightedness and by dividing work. Every little thing must be discussed with importance so that the services reach to all the people of every section of the society. Government has taken steps to promote and increase 3% DA even in the Covid situation.

State Engineer's Association General Secretary Sushanta Kumar Nath in his speech assured that the engineers will assist the government to reach the goal of Model state. He also thanked the state government for taking the initiative of Adhoc-level promotion. A memento was handed to the Chief Minister on this day on behalf of Prachya Bharati Management committee. Others present in the programme were PWD engineer-in-chief Dipak Chandra Das, retired chief engineer Tapan Lodh and State Engineer's Association president Vivekananda Roy.
