**Charilam BAC general meeting held**

Charilam BAC general meeting was held recently at the BAC conference hall. The meeting was presided over by Charilam BAC Chairman Jakulo Debbarma. Official of Sericulture department informed in the meeting that the villagers of Bathamura village have become financially self-dependent through Sericulture. Besides, a special project of 31 crore rupees has been taken for Sepahijala district to involve large number of people in Sericulture and create alternate income. Official of PWD department said, a veterinary centre will be built at Sutarmura village, a road at Guliraibari and road from Rangmala to South Charilam will be repaired. Official of Water Resources informed, initiatives have been taken to improve water irrigation system in tribal populated villages. Beneficiaries from Rangmala, Bathamura, Bashtali, Sutarmura, Chelikhola and Amtali village will be provided with assistance under Chief Minister Swanirbhar Parivar Yojana in the present financial year. It was informed by the Fisheries department that assistance for fish farming has been given to 47 villagers of Dhariyathal village and plans have been taken for providing assistances in future. An official of Panchayat of the block informed that 9 box culvert and brick soling road were completed to improve connectivity in village areas. Charilam BAC Chairman said, target must be taken to complete works taken by different departments within October of this year and to ensure that people may quickly get the benefits of different state government schemes. He also emphasized on communicating with locals about government schemes and workshops.
