1 lakh 73 thousand fish fingerlings released into River Juri in Panisagar

A fish ranching program was organized yesterday to increase production and conserve different kinds of carp species of fish in an open water body. In this program, 1 lakh 73 thousand mixed fish fingerlings were released into River Juri at Chamtilla, Panisagar. Taking part in the program, MLA Binoy Bhushan Das said, conducting such program is very essential to increase fish production and conserve fish naturally. He discussed about the steps taken by the state government in building self-reliance through fish farming in scientific way. Chairman of Panisagar Panchayat Samiti Sanjoy Das, Vice Chairman Lakshmikant Das, Rouwa Gram Panchayat Pradhan Jyotirmoy Dutta and Panisagar sub-division Fisheries Supervisor Goutam Majumder have participated in the program. This program was organized with the financial assistance of Pradhan Mantri Matsya Sampada Yojana and NFDB.
