**Biovillage Project Boosts
Animal Husbandry in Bishalgarh Block**

In a bid to enhance the livelihoods of local families, the Biovillage Project in Bishalgarh Block has provided significant assistance in animal husbandry during the current financial year. According to the Sub-Divisional Animal Resource Development Office, the program has positively impacted 127 families involved in two Biovillage projects within the block. The assistance has been directed towards the rearing of various livestock, including ducks, chickens, pigs, and goats. This initiative aims to bolster household incomes and promote sustainable agricultural practices in the region.
