**District level inaugural programme of MSSKA 3.0 at -
Hokutwisa English medium school, Longtharai valley -**

MLA Diba Chandra Hrangkhal greeted the students on the occasion of Teacher's Day at the inaugural programme of MSSKA 3.0 at Hokutwisa English medium school on 5th September, 2022. Sri Hrangkhal in his inaugural speech expressed his views that health management and therapy can only be suitable if we all are aware and adapt or adjust ourselves with the natural attributes and environment. Further commenting on the usual sickness and disease that normally occurs in the regions he said various diseases occur because of our habits, attitudes and indulgence against nature's law and breaking and contaminating the environment and surrounding. So it is our duty to keep the environment safe and clean.

The MLA also requested the concerned officials to regularly conduct health check-ups and provide necessary services especially to the needy and less privileged people. Besides, he also said that not only medicines and treatment procedure can wholly recover us from the disease, each one of us should also take the responsibility to maintain a healthy lifestyle. The MLA strongly believed and recommended that through proper lifestyle and eating healthy especially organic vegetables and regular exercises can help us stay away from disease and be happy in the long run.

This programme will continue till 15th September, 2022. The programme was organized by health and family welfare department in collaboration with the district offices of education and social welfare and social education department of Dhalai district.
