Tribal Welfare Minister in a review meeting at Karbang village of Champabari ADC village

**The government has given special priority to the overall
development of the tribals in the state: Tribal Welfare Minister**

The government has given special priority to the overall development of the tribals in the state. That is why various developmental works have been taken for the tribals of all sections, stated Tribal Welfare Minister Rampada Jamatia in a review meeting of different developmental works at Karbang village of Champabari ADC village under Belbari block of Jirania sub-division. He said, Karbang is one of the minor tribal communities of Tripura. The state government has given special attention towards the overall development of this community. The review meeting was conducted to address all the issues of the area as well as for the overall development of the tribal people. Works under Social Welfare & Social Education, Education, Health, Drinking Water & Sanitation, ARDD, Forest, Agriculture & Farmers' Welfare etc., departments were reviewed in the meeting. The Tribal Welfare Minister hoped for cooperation from people from all sections of the society towards overall development of the area. He reviewed the progress of works under different departments and directed the concerned officials for quick implementation.

SDM Jiban Krishna Acharya, Belbari BDO Swadesh Debbarma, Deputy Director of Tribal Welfare department Sanchita Roy, Belbari BAC Chairman Roken Debbarma, Samajpati of Karbang community Bishu Chand Karbang, social worker Abhijit Debbarma and officials of different departments were present in the meeting. A water tank of 300 litre was provided each to 23 Karbang families on behalf of Belbari block during the meeting. Besides, 35 water filters have been also provided on behalf of Drinking Water & Sanitation department.
