**Newly Constructed Primary Health Centre inaugurated at Fatikroy**  
**Govt continues efforts to improve health services: Chief Minister**

The government has been making continuous efforts to improve health services in the state. Work is underway to gradually convert every primary health centre into health and wellness centre in the state. Chief Minister Prof. (Dr.) Manik Saha said this while inaugurating the newly constructed building of Primary Health Centre at Fatikroy in Kumarghat sub-division yesterday. Sabhadhipati of Unakoti Zilla Parishad, Amalendu Das presided over the inaugural ceremony. Director of the Family Welfare and Preventive Medicine, Dr. Radha Debbarma gave the welcome speech.

At the programme, Chief Minister said that the government is working to improve the infrastructure of every health centre in the state. He said, people should be careful about the cleanliness of the hospital as if it were a temple. Good relationship between doctor and patient is essential for good service. He said that Rogi Kalyan Samiti should also play more active role. Now health services have improved a lot in the state. Heart, Neuro to cancer surgeries are being done in the state. Efforts are being made to build AIIMS-like hospitals in this state as well.

Speaking at the programme, MLA Sudhangshu Das called for the cooperation of everyone in the development works of the state government including health services. TIDC Chairman Tinku Roy, District Magistrate Uttam Kumar Chakma, District Superintendent of Police Kanta Jangir, Chief Medical Officer Dr. John B. Darlong and others were present as guests. 4 crore 58 lakh rupees has been spent on the construction of the newly constructed 10 bedded primary health centre. At the programme, Chief Minister handed over the land allotment documents to five landless tea workers of Jagannathpur Tea Estate under Mukhyamantri Cha Shramik Kalyan scheme.
