**CM inaugurates North Eastern Students National  
Integration Movement at Holy cross School**

Students should be taught human values in educational institutions. Their physical and mental development should also be an integral part of Education. Chief Minister Professor (Dr.) Manik Saha said this while inaugurating the North Eastern Students National Integration Movement programme at Holy cross School last evening. Students from North Eastern region of the country participated in this programme of NESNIM. This programme was organized by Holy cross Educational Foundation.

Inaugurating the programme, Chief Minister said that Narendra Modi after taking over as the Prime Minister announced the proactive policy for North Eastern states. He named the states of this region as Ashta lakshmi. At present, the states of the region are making progress in different fields. He said that the students of different states of North Eastern region have gathered here. It will create unity in our cultural diversity. Chief Minister also urged the students and parents to be more aware against drug addiction.

Father George Jacob, Secretary of Holy Cross Educational Foundation, welcomed everyone at the opening ceremony. Abhishek Chandra, Special Secretary, Department of Industry and Commerce was present at the programme. Students of Holy Cross School put up an interesting cultural show.
