5 deep tube wells in Amarpur sub-division under JJM

5 deep tube wells were installed in the financial year 2021-22 under Jal Jeevan Mission in Amarpur sub-division to create drinking water sources. Apart from this, 125 small bores were built. In the financial year 2021-22, free drinking water connection was provided to 8 thousand 982 families of the sub-division under the Mission.

In remote areas, water supply is being given through vehicle in 5 localities of Malbasa village, in 5 localities of East Sarbang village, in 3 localities of Guriya village and in a locality of Paharpur village. Work for creating drinking water source will soon start in these localities. This was informed by Drinking Water & Sanitation department, Amarpur office.
