**18 months free residential scholarship
programme in Software Programming commenced**

Tribal Welfare Department, Government of Tripura in collaboration with NavGurukul Foundation has commenced 18 months free residential scholarship programme in Software Programming on 10th November, 2021 at the Agartala campus at Shaheed Bhagat Singh Youth Hostel. This programme is an initiative to provide guaranteed job placements in private start-ups, small & medium enterprises (SME) to the girls from marginalized families throughout the state with educational qualification of class 10th pass and to impart leadership and enhance their communication skills. Trainees are selected through online screening conducted by the department in association with NavGurukul. The entire programme including fooding, lodging is sponsored by NavGurukul foundation. Girl students from different parts of the state joined the program about which they have expressed their excitement and expectation about the programme. This information was collected from a press release issued by Tribal Welfare Department, Government of Tripura
