Assistance to farmers for TPS cultivation in West Tripura district

Assistance will be given to farmers for TPS (True Potato Seed) cultivation in West Tripura district under Horticulture Development project in the present financial year. 6 Hectare land will be brought under TPS cultivation in Jirania, Dukli and Mohanpur agricultural sub-divisions of the district. Subsidy will be given to farmers for 71.80 Metric tonne of TPS potato seeds will be given to the farmers at a subsidised rate of Rs.10/kg. 13 lakh 78 thousand will be invested for this. Apart from this, farmers of Jirania, Dukli, Mohanpur and Hezamara agricultural sub-division will be distributed 25 Metric tonne certified potato seeds. Rs. 25/kg subsidy will be provided spending 6 lakh 25 thousand rupees. Target has been set to distribute 10 thousand mushrooms seeds to the farmers of the district in the present financial year spending 2 lakh rupees. This information was collected from the office of Deputy Director of Horticulture & Soil Conservation department, West Tripura district.
