Only alertness can prevent spread of COVID-19 virus: CM

To inspect the present COVID-19 scenario Chief Minister Biplab Kumar Deb visited the Covid Care Centres in Dhalai district, Sadar Ambassa and Kamalpur sub-division. At first the Chief Minister visited the dedicated Covid Care Centre-1 of the Ambassa Railway Guest House. There he enquired about the condition of the oxygen bed unit, ICU units and the Covid care services being provided in the centre. He also visited female Covid patients' ward. 'Only alertness can prevent the spread of COVID-19 virus,' said the Chief Minister. Covid vaccination drive for persons above 45 years has been accomplished in large numbers in the state. Vaccination has started today for the 18 to 44 years age group. The Chief Minister said, 'The Government has paid importance to Covid vaccination.' He urged everyone to get vaccinated and be safe. He said, 'Everyone has to follow Covid health guidelines. The treatment facilities related to COVID-19 are available in the district and sub division levels.

The Chief Minister then visited the Covid Care Centre-1 of Ambassa Panchayati Raj Training Institute equipped with 130 beds under which 77 patients are receiving their treatment. The Chief Minister interacted with the Covid patients there and checked on their health and also enquired if they were facing any problem. The Chief Minister then informed the media persons that the number of covid patients is still less in Dhalai district and also has lesser positivity rate as compared to the state, nevertheless, the Government is prepared with all kinds of infrastructure both in district and sub division levels. Beds equipped with oxygen cylinders and ICU facilities have been arranged. During the visits the Chief Minister was accompanied by MLA Parimal Debbarma, Principal Secretary J.K Sinha, Dhalai DM Govekar Mayur Ratilal, Superintendent of Police Kishore Debbarma, Additional DM Mouslem Uddin Ahmed, CMO Chittaranjan Debbarma, and Ambassa SDM J.V Doyati etc.
