**Kathaliachera ADC village identified for
development under CM Model Village Scheme**

Santirbazar Sub-Divisional Magistrate Abhedananda Baidya on December 13 held a review meeting at Kathaliacherra ADC Village premises to discuss various developmental activities being carried out by the line departments for completing work under Chief Minister's Model Village Scheme. Under this scheme, Kathaliacherra ADC Village of Bokafa RD Block has been identified for holistic development and to improve the standard of living and quality of life of all sections of the population through improved basic amenities, improved health facilities, enhanced human development and better livelihood opportunities.

Bokafa RD Block BAC chairman Gouri Shankar Reang called upon public representatives and officials to treat rural development as a continuous process and discharge their duties keeping in view that the needs of people should be the top agenda. He directed them to participate and actively work on Chief Minister's Model Village scheme and meet the targets.

In the meeting, officials of various line departments have highlighted the status of the ongoing development works being undertaken in Kathaliacherra ADC Village and planned projects were also discussed by the officials of DWS, TSECL, ICDS, education and health department.

The SDM also directed Kathaliacherra ADC Village officials to cooperate and coordinate with various implementing agencies and concerned Block. The SDM then sought a report from different agencies and line departments on the problems brought up during the meeting by the officials and public representatives. He instructed officials of Bokafa RD Block to find out if any schools, AWC or Health Centres are left out without functional toilets and water connectivity in the area. Panchayat Samiti chairman, Bokafa RD Block Sridam Das and officials from line departments were also present during the meeting.
