Beneficiary management System

To bring every beneficiary-centric scheme in the state under one umbrella, Beneficiary Management System (BMS) has been made with three modules (https://bms.tripura.gov.in) - Legacy application, BMS DBT and Dashboard. Legacy data of 2018-19, 2019-20 and 2020-21 financial year are being uploaded in the system. Till November 15 of this year, 17 lakh 32 thousand 133 transactions of 23 departments have been uploaded. The treasury has been linked with BMS DBT to provide online financial assistances to the beneficiaries. A scheme under Social Welfare department on this platform has been completed successfully on pilot basis. Work for SC Welfare department and other IT departments is in progress. Dashboard is a platform that shows scheme-based information of the beneficiaries. 9 lakh 9 thousand 867 transaction data of 5 lakh 50 thousand 976 beneficiaries were uploaded on Legacy data dashboard till November of this year. This was informed in a press release issued by the Director of Information Technology department.
