**Rebuttal of news published in  
local dailies 'Tripura Observer'**

'Governor keen to leave State on health ground' was published in local dailies 'Tripura Observer' on 22<sup>nd</sup> December, 2021 which came to the notice of the Authority of Raj Bhavan, Agartala. It is astonishing to see that publication has chosen to reproduce a baseless malicious and slanderous article without bothering to check the facts & circumstances. In this regard, it is to inform you that the news published about the Governor involving the other family members was totally baseless and does not hold any truth. This news is derogatory in nature undermining the dignity of the Constitutional Head of the State. I am further directed to inform you that in future no such untruth, baseless and unrealistic news would be published involving the Hon'ble Governor and other family members.
