Solar pump sets assistance for agriculture in Unakoti district

Under Tripura Renewable Energy Development Agency, the process of installing solar pump sets in Unakoti district for agricultural work is almost complete. Recently, installation of 7 pump sets has been completed. Boring of soil for installing 18 pump sets has finished. Installation of 17 more submersible solar pump sets of 2 HP capacity is almost complete. Installation of 3 surface solar pump sets of 1 HP capacity is complete. Permission has been granted to install 9 more submersible solar pump sets of 2 HP capacity in the district. It has been informed that, farmers will submit 2,500 rupees for 1 HP capacity and 5 thousand rupees for 2 HP capacity as their share. This was informed by Trader Project Officer, Unakoti district Daniel Tripura.
