Mixed pisciculture in Kailasahar under PMMSY

In the present financial year under Pradhan Mantri Matsya Sampada Yojana, initiative has been taken for mixed pisciculture of lobster, and fishes like Rohu and Catla in Kailasahar sub-division in November. This kind of pisciculture is usually practised in ponds and reservoirs. Three fish farmers of the sub-division have started practising this technique of mixed pisciculture. Each fish farmer has started mixed pisciculture in 16 Ha reservoir. Each fish farmer was given 1 thousand baby lobsters, and 1,620 mixed fish pollens of Rohu and Catla varieties. In this regard, each fish farmer was given governmental assistance of 9 thousand 600 rupees. 2 fish farmers from Gouranagar block and one from Chandipur block of the sub-division have been brought under mixed pisciculture. This was informed by Superintendent of Fisheries, Kailasahar sub-division Jayanta Chakraborty.
