Successful cataract surgery in GBP hospital

Different types of eye surgeries are being done successfully including cataract surgery in Agartala Government Medical College and GBP hospital. A medical team under the leadership of eye specialist Dr. Phani Sarkar performed eye cataract surgery in GBP hospital for 51 patients on January 6, 2022. The surgery was successful and the patient's condition was informed to be fine. This information was collected from a press release issued by the Family Welfare & Preventive Medicines department.
