

CM interacted with college students in Kanchanpur

Students should not be limited to only academic education but also gain value education: CM

Students should not be limited to only academic education but also gain value education. This will not only help them become self-confident but also help build their personality. This will also help them become aware of the incidents happening around them, stated Chief Minister Biplab Kumar Deb in an interactive session with the college students at Kanchanpur Town Hall today. He said, the Prime Minister recently had interacted with students for a long time in Pariksha Pe Charcha programme. He called on all the students to watch Prime Minister's Pariksha Pe Charcha programme.

The Chief Minister said, students must be free from fear and must work according to routine. He said, today the nation is forging ahead under the leadership of the Prime Minister with new way of mindset, positive thinking and innovation. The nation is soaring new heights because of the Prime Minister. Tripura is also moving ahead today. Blueprint of development in Tripura in next 25 years has also been prepared which includes what development will be done in the state, how people's life will be then, how much GDP it will be etc.. Students must know about all these. They have to select their courses keeping in sync with this. Only then, there will be job opportunities after studies.

The Chief Minister said, works are being done so that no student of the state has to sit jobless. Mission Vidyajyoti has started in the state to provide quality education to students. Prime Minister Narendra Modi has introduced new education policy in the country. A lot of modern changes have been brought in education system. In this new education policy, students may take vocational courses in their mother tongue till fifth standard. These vocational courses will be taught along with the school lessons. The students will be able to find income sources after completing their studies. A self-reliant nation will be built based on self-dependency.

Students of Kanchanpur Government College participated in the interactive session with the Chief Minister today. Other dignitaries present during the interactive session were North Tripura DM & Collector Nagesh Kumar B., SP Dr. Kiran Kumar K., Director of Higher Education Nripendra Chandra Sharma and Principal In-charge of Kanchanpur Government College Dr. R. Darlong.
