**Deputy Chief Minister visits special Covid-19
vaccination campaign in Sepahijala district**

There is no need to unnecessarily panic about Covid-19. One can tackle the Covid-19 by taking vaccination on time and by properly following health guidelines, stated Deputy Chief Minister Jishnu Dev Varma during his visit to different Covid-19 vaccination centres in Bishalgarh sub-division today. Along with him were Sepahijala ADM J. Vanlal Duati, Deputy Director of Education department Bimbisar Bhattacharjee, Bishalgarh SDM Jayanta Bhattacharjee, and Charilam BDO Joydeep Chakraborty. Calling upon every student to take the vaccine and encourage others as well to take the Covid-19 vaccine. He said, students need to understand that getting vaccinated will keep them and their family safe and healthy. The state government has taken up various steps for improving the quality of education and establish themselves in life. Presently, the rate of Covid-19 infection in the state is increasing that is why the students have to be careful. The state government has taken special initiative to vaccinate youngsters of 15-18 years and everyone must take this opportunity. Only then they can keep themselves and others safe. The Deputy Chief Minister visited the vaccination centres in Bishalgarh English Medium School, Charilam Higher Secondary School and Bishramganj High School.
