1902.54 Ha land brought under rubber plantation in Tripura under CMRM

Tripura Rehabilitation Plantation Corporation Limited (TRPC) has been implementing government schemes across the state. It has brought 1902.54 Ha land under rubber plantation throughout the state in the last 2 years under Chief Minister Rubber Mission. Target has been set to bring more 7000 Ha land under rubber plantation under the scheme. 'TRPC Ltd has decided to increase the collection centres of latex throughout the state based on demand of local people and to ensure fair price of latex to the beneficiaries. The corporation has decided to revive the non-production centres for the beneficiaries to deposit field latex to nearby centres and get better price of their latex', informed Deputy Manager of TRPC Ltd Santosh Debbarma. He informed that the rate of latex being paid to TRPC beneficiaries starts from Rs. 100 to Rs. 110 per Kilogram w.e.f 01/05/2023. He also informed that TRPC will establish Rubber Wood based Plywood Factory at Bodhjungle, Agartala with the funding of NEC under PPP model for creation of employment generation and make better use of rubber woods available in Tripura.
