

Deputy Chief Minister Jishnu Dev Varma in the programme said, there is a need for serial awareness programme with attractive designs to be done for the villagers in the second phase of Swachh Bharat Mission- Rural because hygienic and healthy habits start from awareness. Deputy Chief Minister also emphasized on separating wastes. He said, this scheme will not only keep the rural areas clean but also help the villages inspire each other on this.

PWD Secretary Kiran Gitte in the programme said, attention has been given to solid and fluid waste management in second phase of Swachh Bharat Mission- Rural. This will be implemented this year in 350 villages. Others present in the programme were Rural Development Secretary Soumya Gupta, DMs of different districts and scientists appointed for Swachh Bharat Mission- Rural project.
