

The Chief Minister pointed out that promotion of state government employees was put on hold for past 7 years which made more than 25 thousand employees face financial losses after retirement." The Chief Minister slammed the opposition for calling the promotion of employees unethical. He added, " The government employees have been tirelessly implementing several governmental schemes, similarly the government takes the matter of giving the employees their deserved right seriously." The Chief Minister said, " Gandacherra is no longer a remote area. Total 36 staff quarters have been built in Type-1, Type-2, Type-4 category for officials to stay there and implement developmental works. The government will consider building more quarters if and when required.

MP Rebati Tripura lauded the present government and hoped that the development of the area will rapidly grow under the leadership of Chief Minister Biplab Kumar Deb.

PWD Secretary Kiran Gitte in the programme said that earlier there was no such facility to stay and work for the officials and now they will be able to stay there and implement developmental works properly. Others present in the programme were MLA Dhananjay Tripura, MDC TTAADC Bhumikananda Reang, Dhalai DM Mayur Gowekar Ratilal etc.
