Fruit saplings & seeds distributed in Mayachhari Panchayat of Kamalpur

Under the Mukhyamantri Swanirbhar Parivar Yojana vegetable seeds and saplings were distributed among 591 families of Mayachhari panchayat under Kamalpur subdivision on July 3. This initiative was taken by the agriculture and farmers' welfare department. The distribution programme was inaugurated by the food, civil supplies and consumer affairs minister Manoj Kanti Deb.

Addressing the gathering the minister said, both the central and state

governments are implementing various schemes for the economic development of farmers. As part of their initiative the central government is purchasing paddy from the farmers through FCI. Pineapples, lemon etc. fruits of the state are being sent to foreign countries, thereby farmers are getting good prices for their produces. To facilitate marketing of agro-products Kisan Rail has been launched. He also said that Mukhyamantri Swanirbhar Parivar Yojana is an initiative towards attaining self-reliance.

The programme was also attended by Panchayat Pradhan Saraswati Debnath, Upa-Pradhan Sabyasachi Goala, BDO Amaresh Barman and other officials. In this programme each family received four lemon saplings, five papaya saplings and six Sabri banana saplings.
