

## **Rubber plantation in Kumarghat & Pecharthal under CM Rubber Mission**

Under Chief Minister Rubber Mission approval has been received for raising rubber plantation over 10 ha. land under Kumarghat Tribal Rehabilitation Range and over 7 ha. land under Pecharthal Range during the current financial year. At present identification of land is going on for that. In order to raise and nurture rubber plantation over total 17 ha. area of the subdivision an amount of Rs. 19,66,999 will be spent in five years. Under the scheme under Kumarghat range 20 families will be assisted to raise rubber plantation on 0.5 ha. area each and under Pecharthal range seven families will be assisted to raise plantation over 1 ha. area each to facilitate their income generation in future. Rubber saplings will be provided by the Rubber Board.

In addition, from the Primitive Group Rehabilitation department rubber plantation is being raised over 16 ha. area with 8 ha. each in Pecharthal and Kumarghat range under a central scheme. Under this scheme each of the 16 beneficiary families will have rubber plantation over 1 ha. land. In next four

years on account of plantation and nurturing of the same Rs. 1 lakh will be spent per 0.5 ha. land. This information has been provided by the concerned office in North district.

## **Waste management Centre in Sabroom**

A dumping ground is being made in Ward No. 1 of Sabroom Nagar Panchayat. Sabroom Nagar Panchayat has taken this initiative for setting up a waste management centre in Sabroom. The waste deposited there from different areas of Sabroom town will be converted into bio fertilizers which will help double the production of the agricultural land. This Waste Management Centre is being built investing 1 crore 50 lakh rupees. Three Garbage Segregation Centres are being built at 3 locations.
