

## **Peripheral angioplasty surgery for first time in GBP hospital**

Peripheral Angiography surgery was successfully done in AGMC & GBP hospital recently. The patient's parties were happy and thankful to the doctors for this successful operation. Recently a certain diabetic patient aged 52 years, resident of 79 Tila , Agartala was having severe problem in leg. He was referred by orthopedic department to CTVS-IR OPD. After testing of CT angiogram it was detected that blockade appeared in main artery of his left leg and blood connection had been stopped due to this reason. Moreover, his finger of leg was infected. On 19<sup>th</sup> April, the blockade had been removed by the Cathlab team headed by Cardiac and Vascular Surgeon of AGMC & GBP hospital Dr. Kanak Narayan Bhattacharjee.. The patient is now quite well and has been sent home.

It is worth mentioning that this is the first time in the state a peripheral angiography operation has been successful. Dr. Kanak Narayan Bhattacharjee thanked the entire team involved in the surgery. He hopes that common people will benefit from this facility and experience of vascular surgery and angiography alongwith heart

treatment. Director of Health department has informed this in a press release.

## **ARDD Minister inaugurates 22<sup>nd</sup> World Veterinary Day programme**

ARDD plays an important role in the development of rural economy. It needs only proper planning and determination, stated Minister of Animal Resources Development Bhagaban Chandra Das after inaugurating 22<sup>nd</sup> World Veterinary Day programme organized by Tripura Veterinary Council at Nazrul Kalakhetra today. A blood donation camp was organized in the morning. Later a craft meeting was organized followed by felicitation ceremony of retired veterinary doctors and cultural programme.

Animals are the biggest treasure of the world. There must be proper facilities, rules and law for them. Veterinary infrastructure in the state has changed drastically in the last four years. He said, it is possible to increase income of 75% people by expanding activities of the department. Production of milk, meat and eggs will also increase through this, which is why Chief Minister Swanirbhar Parivar Yojana has been started under the guidance of Chief Minister Biplab Kumar Deb. Beneficiary families are being given ducklings, poultry chicks and piglets. 6

lakh people of the state will be benefited in 3 phases under this. He said, Mukhyamantri Unnat Godhan Prakalp has been 95% successful in the state, which has encouraged cow rearers.

ARDD Minister said, the government is working to set up 50 big and small veterinary hospitals and launch 12 mobile veterinary van in the state soon. Plans have been taken to set up a Veterinary UPHC in every village. The present government is giving priority to distribute animals to beneficiaries based on cluster on pilot basis. This will not only encourage animal rearers but also increase state's resources.

Information & Cultural Affairs Minister Sushanta Choudhury said, animals cannot express which is why experience of veterinary doctors is needed. It is a difficult task. He emphasized upon modernizing and using scientific ways in animal treatment. About the blood donation, he said, any kind of work in the state is being started with a noble deed such as blood donation. Nothing is superior to doing something for the society and the nation with humanity. Blood donation was hindered during Covid-19 situation. But people have been able to survive through this. He called on everyone to donate blood to meet the demand of blood in the state.

Other dignitaries present were Director of ARDD Dilip Kumar Chakma, Convenor of the Organizing Committee Dr. Anadi Sankar Bhattacharya, President of Tripura Veterinary Council Dr. Chintu Debbarma and Registrar Dr. Sushanta Sukladas. Veterinary doctors, interns and veterinary college students from different parts of the state also joined the programme.

### **Distribution of free rice grains under PMGKAY in Chailengta**

Under the aegis of Food, Civil Supplies & Consumer Affairs department in association with Longtharai Valley sub-division administration, a formal programme of free rice distribution under Pradhan Mantri Garib Kalyan Anna Yojana was organized as a part of Azadi Ka Amrit Mahotsav at Longtharai Valley Government Degree College premises in Chailengta today.

MLA and Chairman of Block Advisory Committee of Manu RD Block Diba Chandra Hrangkhawl inaugurated the programme in presence of Longtharai Valley SDM Amartya Barman, Principal of Longtharai Valley Government Degree College Malsoma Darlong, Deputy Magistrate & Collector Pachal Debbarma and social worker Madhav Barua.

MLA Diba Chandra Hrangkhawl said, the ration shop dealers and owners play an

important role in providing better services to the consumers, which is why it is important for all ration shop dealers and owners to be fair and maintain transparency in distribution, only then the purpose of the government to provide proper services to people will be met and the consumers will be grateful. He also asked the ration shop dealers & owners not to be tempted and avoid black marketing.

The dignitaries distributed 5 kilograms of ration to 13 Antyodayas and Priority Household families under Chailengta Fair Price Shop, Maracherra, East Karamcherra, SK Para and Jamircherra FP Shops under PMGKAY.
