Survey from February 24 to identify level of learning

By February 25-28 leaning level of all the students of government schools of the state will be surveyed to identify as to where they stand in their learning process. This initiative is a step forward to propel the quality of education upto the national level. This is how the Education Minister Ratan Lal Nath described the activities of the department on February 2 while attending the 64th Foundation Day of Ram Krishna Ashram Vidyamandir.

Speaking on the occasion the Education Minister also said, as a part of the initiative of the government taken for upgradation of education system and quality of education 18 schools have been converted to English medium schools and seven new degree colleges and four B.Ed. colleges are on the anvil. He also appealed to the parents of children to definitely send their children to school during the process of survey.

Among others present on the occasion were Maharaj Hitakamanandaji of Ramkrishna Mission, additional director of education Sanjay Chakraborty and the headmaster of the school Gopal Chandra Das.
