

CM emphasizes on timely completion of work at workshop on 'Arbitration & Conciliation'

Timely completion of all the projects taken up by PWD should be emphasized. In that case no conciliation by arbitration would be required for legal complications in the matter of implementation of projects, stated the Chief Minister Biplab Kumar Deb today while addressing a workshop on 'Arbitration and Conciliation' organized by the PWD with the assistance of 'Construction Industry Arbitration Council' of Delhi at Pragna Bhavan. The Chief Minister also advised the department to contemplate whether the contractors who complete their works in time could be awarded. This would not only encourage them to complete works in time as well as it would expedite the process of development. He also urged to finish tender processes in less time.

Speaking in favour of digitalization for bringing in transparency the Chief Minister said, tourism is a big sector and the government is stressing on infrastructural development in this sector. He said, if steel, cement industries could be established here it would help in overall development of the state. On the other hand, the government is trying to

create permanent asset through MGNREGA. He urged all to work together to make Tripura a model state.

The chief secretary U. Venkateswaralu, as the chief guest, Principal secretary of PWD Shashi Ranjan, DG of Construction Industry Development Council P.R. Swarup and vice-chairman of State Planning Board R.K. Mathur also spoke on the occasion. In the technical session, arbitrators from different states deliberated in the workshop. Engineers from PWD, rural development and urban development departments were also present there.
