## **IASE & MAK AIS organize two-day seminar at Agartala**

A two-day seminar on 'Tribes of India – education, problems and challenges was inaugurated by the Chief Minister Biplab Kumar Deb yesterday at Pragna Bhavan. The seminar was jointly organized by the Institute of Advanced Studies in Education

and Moulana Abul Kalam Azad Institute of Asian Studies, Kolkata. The state government is working towards development of education and culture of the tribes, because without their development the state's development could not be achieved, stated the Chief Minister addressing the seminar yesterday.

The Chief Minister said, the state government has decided to groom tribal-dominated 12 villages of the state as model villages. DM, SDM and BDOs have been instructed to give special focus on the implementation of various development schemes of the state and central government. The state government has also made arrangement for coaching of the tribal IAS aspirants of the state in Delhi, apart from paying attention to ensure quality education for them. In 2019-20 financial year 340 tribal students have been sent to Delhi for IAS coaching.

Speaking on the occasion the chairman of MAK AIS Prof. Sujit K. Ghosh said, two years back the Prime Minister Narendra Modi entrusted this institute with the onus of expanding research works to the Northeastern states and the institute has lined up its programmes accordingly.

Hezamara block, 261 connections in Belbari block and 88 connections in Mandwi block of West Tripura district were given during the current financial year under the scheme. Among Municipal Councils and Nagar Panchayats of the district, 331 connections in Mohanpur Municipal Council area, 88 connections in Ranirbazar Municipal Council area and 13 connections in Jirania Nagar Panchayat area have been installed. Executive engineer of D.W.S, division -2 office has informed this.
