

tilla land of Laljuri block. Under this project betel-nut orchard will be raised in 30 hectare, mango orchard in 6 hectare, lemon orchard in 2 hectare and orange orchard in 2 hectare. The office of the superintendent of agriculture, Kanchanpur has informed this.

Swachh Bharat Mission : South District level meeting held

To review the activities of various programmes of Swachh Bharat Mission a district level meeting on was held yesterday in the DM's office conference hall of South Tripura District. The meeting was chaired by the Agriculture Minister Pranajit Singha Roy while MLA Sankar Roy, DM of South Tripura Debapriya Bardhan, SDMs of different subdivisions and BDOs of different blocks under this district were also present in the meeting.

In the meeting it was decided that on 15 August Belonia Municipal Council area, on 30 August Santirbazar Municipal Council and Sabroom Nagar Panchayat area under this district will be declared as Open Defecation Free (ODF). Excluding unusable toilets the construction work of household toilets of APL and BPL families will be completed by the month of September. It has been informed in the meeting that target has been set to construct 18 community toilets in this district. Out of these, 16 community

toilets have already been constructed. Construction of rest of the two community toilets will be completed within the month of September.

The Agriculture Minister Pranajit Singha Roy asserted, in this regard ward wise survey are to be conducted in the panchayats and village committees under the blocks. He instructed the concerned to complete the work of survey by this week. He further added, it will be scrutinized whether scientific toilets are there in the private schools. On the other hand, it is also to be scrutinized whether the toilets have been constructed as per target for this district and the works are to be completed accordingly, added the Minister Sri Singha Roy.
